BALMAIN EAST NSW 2041

Dear Robert,

I am writing to sincerely express my appreciation, and to thank you, for your efforts in partnering with the 2007 World Swimming Championships Corporation by managing Phases 2 and 3 of the Recruitment activity for the Corporation.

We are at an exciting time of the entire operation, with 38 days to go before the Championships commence and teams preparing to move into the venues. The support of your team including Ros Holding, Robert McCluskey and yourself, in sourcing highly suitable staff who are capable of meeting the challenge and being part of the opportunities of the 12<sup>th</sup> FINA World Championships has not gone unnoticed.

Additionally we would like to acknowledge your support in our internal Phase 4 recruitment activity by permitting us to advertise our positions on your website, with assistance from Angelique Lele. This along with your provision of the database of names which you have supplied has been invaluable.

I thank you again for your support and professionalism in which you were able to secure suitable staff, and look forward to any opportunity to work with you and your team again should such opportunity arise.

Kind regards,

Michael Scott  
CEO
